

Move and Groove

Virtual Dance and Movement Classes for Students with Disabilities *with Maddy Stewart*

Students will learn the importance of dance basics such as stretching, rhythm, balance, and musicality, while engaging with others in a fun (virtual) social setting.

Students will be ready to follow directions and support each other in a positive way!

Maddy is a lifelong Tampa resident. She is excited to be able to combine her passions of both dancing and teaching with Arts4All. Maddy graduated from the University of Florida with a Master's degree in Special Education. She taught at Morning Star School in Tampa for six years before recently taking time off to stay home with her daughter. Maddy believes dance provides physical, emotional, mental, and social benefits, and all children should have access to those benefits.
