## Meet Our Instructors

**Dani Bowman**, animator, author and entrepreneur will impart her animation skills while exuding enthusiastic inspiration to students with disabilities. Dani has ASD, Asperger's Syndrome Disorder and has been teaching animation for 5 years since she founded her company Powerlight Studios in Los Angeles, CA.

**Dr. Clint Randles**, Assistant Professor of Music Education at USF and an Arts4All Florida teaching artist teaches iPad music throughout the Tampa Bay area, allowing students to access an innovative musical art form that can be adapted to everyone. Dr. Randles teaches pre-service music teachers, works with local school districts, and conducts research on the place of creativity in the music curriculum.
