

ADVENTURES IN AUGMENTED REALITY *Part II*

AGES
12 - 22

MAKE ART THAT MOVES!
with Janalyn Peppel

In this virtual class students of all abilities ages 12-22 years will create new dimensions to their art by adding 3D animation through the magic of Augmented Reality (AR). In this 4-week class, you will learn to bring hand-drawn or digital artwork to life using your favorite animation tools, the Artivive app, and an iPad. You will create stunning visuals that leap off the page to amaze your friends and family. The goal for this class will be to begin creating a portfolio of 3D digital design artwork.

This class is recommended for students with animation/digital art experience.

Dates: Thursdays beginning
January 6th - 27th

Time: 4-5pm EST

Where: Virtually on Zoom

Meet Your Instructor:

Janalyn Peppel is a graphic designer and entrepreneur from Gainesville, Florida with a degree from the University of Florida in Advertising & Communication. She is an Arts4All Florida teaching artist and 3D technologist. Ms. Peppel creates interactive, digital designs for virtual and augmented reality experiences by combining real-world imagery and computer-aided design (CAD) software.
