

**Pat York** is the Arts4All Florida Regional Coordinator for the 19-county area of Northcentral and Northeast Florida beginning in Marion County where she resides. She has been with Arts4All Florida for 10 years and brings 25 years' administrative, curriculum development and ESE elementary school teacher experience to the organization.

Ms. York facilitates the teaching residencies throughout her region, provides professional development, creates community art class opportunities and remains involved with many local and regional organizations creating important longstanding partnerships. She was the Dean of Students at Maplewood Elementary School in Ocala where she facilitated a yearly Arts4All Florida festival which became the catalyst and passion for the service she provides to the organization.
